

# Nonprofit Locator

---

By Daniel Boren, Angelica Courson, Kayleigh Hanna and  
Rony Iraq

# Elevator pitch

# Concept

---

- Description
- Motivation for development
- User story

AS A person living in the USA who does not know the local nonprofits in my area that serve the environment and animals.

I WANT to see which nonprofits in my area serve the animals and environment.

SO THAT I can donate to a local nonprofit relating to the environment and animals.
